INTERSTATE MEDICAL LICENSURE COMPACT

The IMLC mission:

*“**Increase access** to healthcare in **underserved or rural areas** and connect patients with medical experts through the **use of telemedicine technologies**”*

The IMLC provides an **expedited pathway** for physicians to obtain licenses to practice in **multiple states** by leveraging the physicians existing information previously submitted in their state of principal license (SPL).

- Light Blue = Compact Legislation Introduced
- Dark Blue = IMLC Member State serving as SPL processing applications and issuing licenses
- Medium Blue = IMLC Member State non-SPL issuing licenses
- Purple = IMLC Passed; Implementation In Process or Delayed
