▶ Watch how Ona works

The screenshot displays the ONIN web interface. At the top, the navigation menu includes 'Overview', 'Map', 'Table', 'Summary Charts', and 'Settings'. The main content area shows a map of Mali with numerous red dots representing health facilities. A sidebar on the right contains a profile picture and the text '1120 records'. Below the map, there is a 'Submission 42' card with the following details:

- Submitted at 10:51 am on Aug 22, 2015
- Record ID: 207189
- [Edit](#) or [Delete](#)

Below the submission card, a table lists the following information:

Region	Bamako
District	Commune3
ID	ML38539
Structure	ASA9458B
Source	OMS Survey
Number of villages	12
Type	Urban

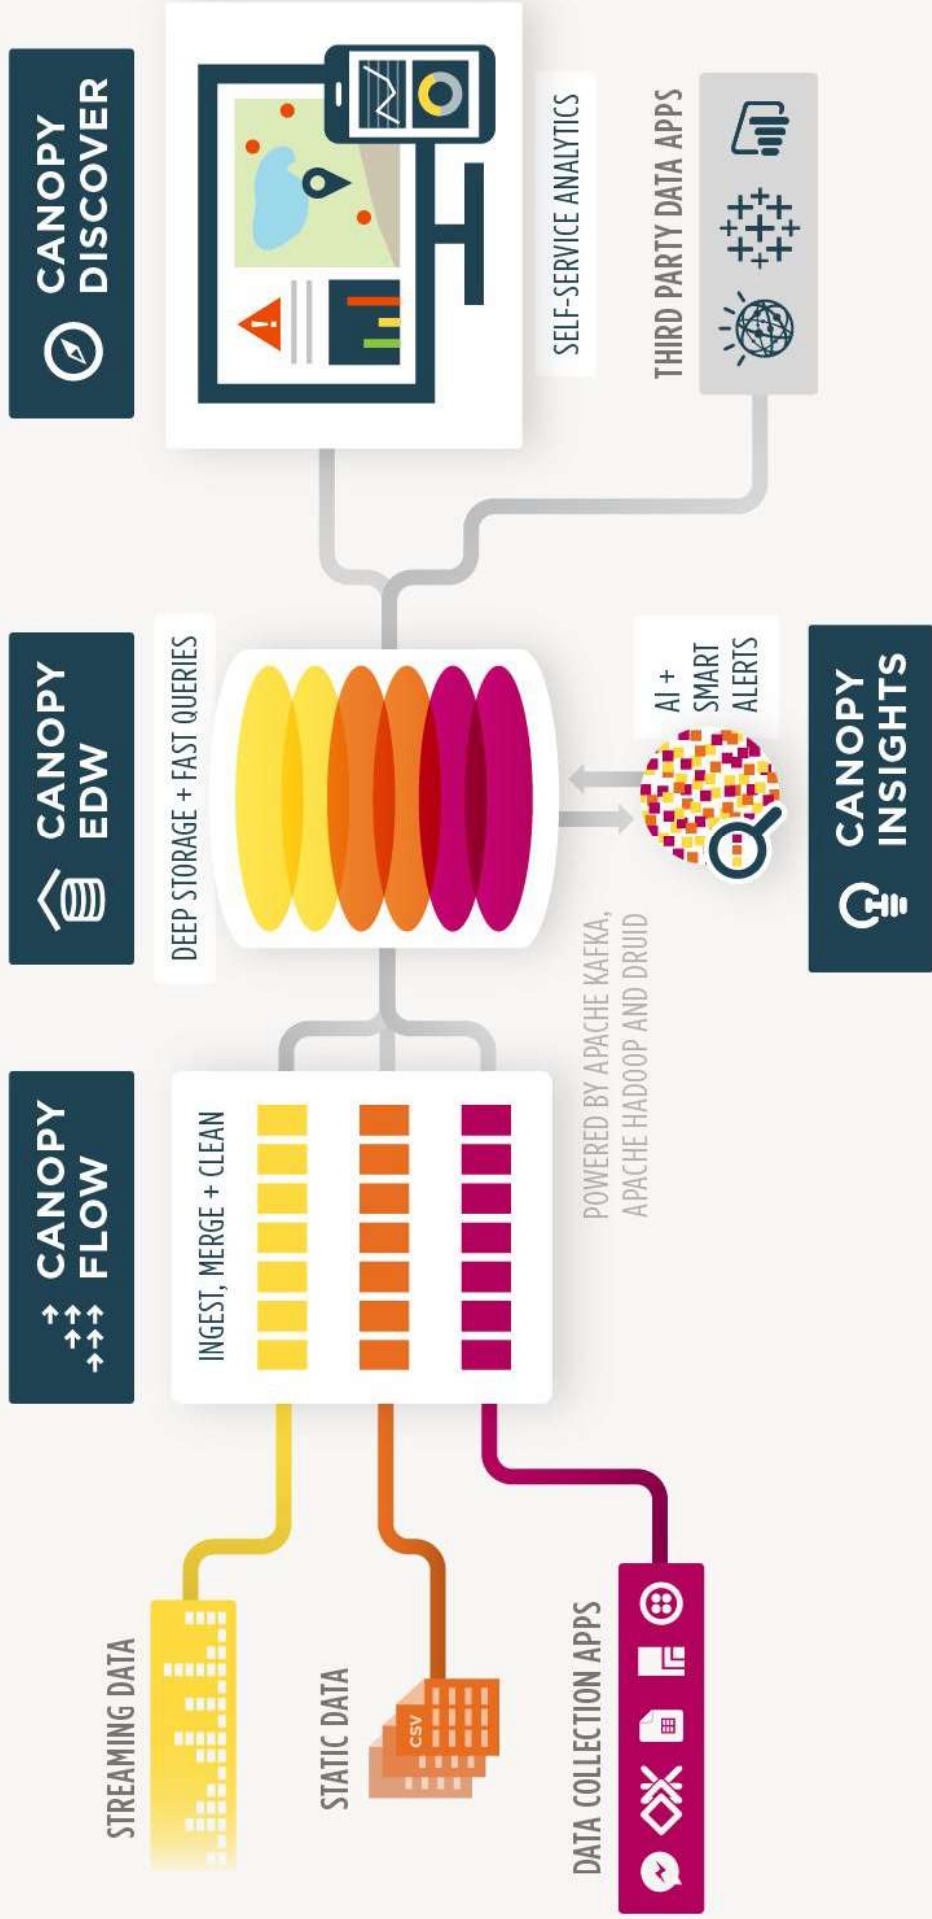

Overlaid on the bottom right is a mobile app interface titled 'Mali health facilities'. It features a 'Location' section with a map and a red location pin. Below this, there are input fields for 'Region' (Bamako), 'District' (Commune3), and 'ID' (ML38539).
